Congrats to Licking Memorial and SOMC

Congratulations to Licking Memorial Hospital in Newark and Southern Ohio Medical Center in Portsmouth for being named by Modern Healthcare as one of the top 100 organizations named to its [Best Places to Work in Healthcare for 2015](#). The recognition program, now in its eighth year, honors workplaces throughout the healthcare industry that empower their employees to provide patients and customers with the best possible care, products and services.

Welcome new practices, specialties and LTPAC facilities

We continue to have practices, long-term care and post-acute care facilities connect to the CliniSync Community every day. We welcome you and thank you for participating in the CliniSync health information exchange.

These members now can take advantage of results and reports delivery and other electronic communications at no charge.

Welcome:

109 of 141 hospitals "live" on CliniSync

We want to make sure you know **where to go on our website to view the hospitals that are now live**, delivering results and reports directly to physicians and other providers in communities.

In addition, a listing of the hospitals will also tell you who is in process, meaning those that are in some level of implementation.

There are three ways to view this list on our website at www.clinisync.org

1. **Search for Hospitals** on the right hand side in pink.
2. Click on **CliniSync Health Information Exchange** on the front page left where it says: "**Welcome to.**"
3. Go to Features on right hand side in blue: **List of Hospitals Connected**

Or, you can just [click here now](#) to see the list.

To date, here is other progress CliniSync has made:

- We have **4,588 physicians** live in **1,146 practices**
- We have **408 long-term and post-acute care facilities**, including **48 home health and 4 hospice** organizations.
- We have **15,000 DIRECT** email addresses in our Directory.
